

## WAIHI ARTS CENTRE AND MUSEUM RISK ASSESSMENT & MANAGEMENT FORM

The following Risk Assessment and Management information is provided to help school teachers plan a school excursion involving The Waihi Arts Centre and Museum.

The purpose of risk assessment is to identify:

- possible hazards
- measures that will eliminate, isolate or minimise identified hazards
- the action to control and minimise the extent of an injury.

The definition of “hazard” as defined in the Health and Safety in Employment Act 1992 is:

a) an activity, arrangement, circumstance, event, occurrence, phenomenon, process, situation or substance (whether arising or caused within or outside a place of work) that is an actual or potential cause or source of harm; ..

Teachers are responsible for their students whilst on a visit to the Waihi Arts Centre and Museum. All Education Officers who work with school groups are first aid qualified and trained to provide a response in an emergency. First aid kits are readily accessible in all areas of the Museum and on-call staff are available at all times in the event of an emergency.

**Schools are to ensure that there is at least one adult to every eight students for years 1=8 and that accompanying adults are assigned to student working groups and are aware of their supervisory role.** Any variation to this ratio is to be agreed prior to the Museum visit/activity
