Waihi Art Galley & Museum (WACMA) have an extensive photograph Collection and Archival Records of those who settled in the Waihi /Ohinemuri (now in HDC area). The Research Team fields a number of inquiries from those who had family members who came to Waihi for goldmining, railways and other industries. Some settled here. Some moved elsewhere. Some are returning. These people are Settlers. The links are many including the ships /boats settlers arrived on.

Who should fill the Waihi & Ohinemuri Pioneer Family Register Forms in? :
 If your earliest family member arrived by ship/ boat to settle in New Zealand and settled in Waihi / Ohinemuri (now HDC area) even for a short time, or moved on and came back these people were settlers. Your contribution to the Pioneer Family Register would be welcome.
